Code

```
#include <stdio.h>
#include <stdlib.h>
int main( int argc, char *argv[] )
{
        char str[256];
        setreuid( 3092, 3092 );
        strcpy( str, argv[1] );
        printf( str );
}
```

```
